

ROSBORO CUSTOM GLULAM™

FLEXIBILITY OF CUSTOM GLULAM

- Beams can be built-to-order based on the unique needs of the job
- Can be tailored to a wide range of structural and industrial uses
- Pressure treating of Douglas fir glulam beams can be provided to your specifications
- Alaskan Yellow Cedar beams available when a naturally durable species is preferred over treated products
- Lead times as short as 1 week for quick-turn must-have orders

Your premier source for custom glulam. Rosboro can manufacture beams in a wide variety of appearances, grades, sizes, and shapes. Give us a call and we will help make your next project a success.
